*What does 'excludes promotional offers mean? Well, from time to time outlet stores may offer additional discounts and promotional offers off the already reduced outlet pricing. Unfortunately on these occasions and where the * symbol is featured the store is unable to offer further discounts on these items. If in doubt, it is always best to check with the store prior to making your purchase.

We hope you enjoyed your outlet experience at Harbour Town and the services offered in our Tourism Lounge. If so please help other travellers discover Harbour Town by rating us 5 stars on Trip Advisor! Safe Travels and we hope to see you again one day soon
